NEWSFLASH

NEWS TO CELEBRATE

On Tuesday myself and Miss Poulter were invited to the Prime Minister's Champion Group conference in London to discuss the Dementia Awareness Clip produced by our current Year 6 children. The clip was played for all to see and it was fantastic to be invited and to speak about the project on such a recognised level.

We even had the opportunity to have a picture taken with Angela Rippon.

Our children have also appeared in the Autumn edition of the Alzheimer's Society Hambleton & Richmondshire Bulletin in recognition of their outstanding contribution to raising awareness.

Raising a Dementia Friendly Generation Children from St Mary's Roman Catholic Primary school in Richmond 'have United Against Dementia' with St Francis Xavier secondary school to make a short film to raise awareness of Dementia. St Mary's are seasoned supporters of dementia awareness week and have been actively involved in delivering dementia awareness within their school since 2015. This year they wanted to take their knowledge and use it to educate others. I'm sure that you will agree that they have achieved what they set out to do! You can view the film at <https://youtu.be/V6mWYvhDNYU> If you want to find out more about dementia friends visit www.dementiafriends.org.uk
