Dear Parents/Carers

Please find attached the Ofsted Report following an Ofsted Inspection of St Mary's RC Primary School on 30<sup>th</sup> and 31<sup>st</sup> January 2013.

The school is delighted that Ofsted agrees that the school has made progress on its journey of improvement and has graded St Mary's as a good school in all areas of inspection.

St Mary's has worked hard over the last three years to improve the school and move the school forward. It is encouraging to see that the report shows a positive picture of improvement and that is testament to the commitment and hard work of all those involved with the school, pupils, parents and carers, teachers, governors and the local authority.

The school will continue to work hard to make improvements because as we know the journey does not stop.

Thank you to every one who has made a contribution to making St Mary's in to the successful learning environment it is today.

Yours Sincerely

*J Collins*
