18th July 2017

Ensuring excellent school attendance for all our children is one of our key priorities here at St Mary's RC Primary School. We know that missing school means missing out. Our overall attendance figure so far this academic year is **96.9** %.

Regular attendance is a key factor towards your child's achievement at school. At St Mary's RC Primary we place immense importance on the attendance of every child. We closely monitor and analyse attendance on any child whose attendance drops below our expectations and will quickly discuss this with you and see how we can support you to improve this.

In the interests of safety we need to know exactly how many children are in school at any time. If your child arrives after 8.55am please enter the school building via the school office.

Punctuality is important. When your child arrives late at school he/she misses the introduction to the lesson. The attendance register closes at 9.00am. After this time a late mark will be recorded.

A HUGE thank you!

The vast majority of our parents /carers do not take family holidays in term time as they recognise the significant impact this can have on their child's education.

We hope you will all continue to support us in reducing the amount of school missed due to unauthorised absence by not planning your family holiday during valuable learning time.

A big "thank you" to those parents/carers who have contacted the school to report their child absent. It is important to remember that if we do not know why your child is absent, the school has no alternative than to record the absence as unauthorised.

100 % Attendance Summer Term – WELL DONE!
